Rim Hop - Lær rim med kroppen

Indhold:

- 36 Rim Hop illustrationer.

ABC hop kan enten spilles med 1 eller 2 personer.

Forberedelse:

- Print alle rimkort ud.

Aktivitet:

- Læg kortene i en bunke, lad spiller A trække et kort. Spiller A fortæller højt navnet på rim illustrationen og hopper hen på den illustration der rimer, og fortæller højt navnet.
- Der skiftes tur og spiller B gør det samme. Den der har flest korrekte rimkort vinder.

Andre gode forslag:

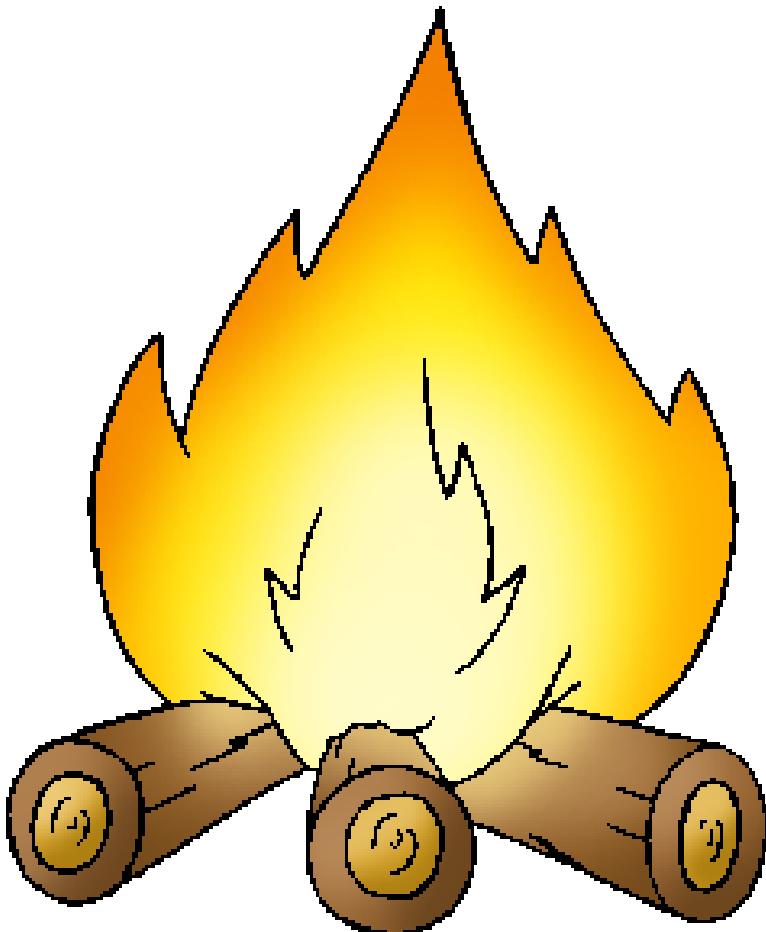

1. Lad børnene lave nye kort:
 - tegn nye illustrationer der rimer
 - skriv kort med kun tekst på illustrationerne
2. Hæng rim kortene op, snak om rim og remser
